The feedback of clients and peers plays an important role in the decision as well.

And she truly deserves it, now even more, since the award is granted for her activity in 2020, an extremely difficult year, full of unknown and challenges at all levels. Despite this, we continued to perform as a firm and Poliana had a valuable contribution to all the projects she coordinated or was involved in. I would like to congratulate Poliana and to thank her and the entire team for the excellent reputation that RTPR has on the local and European markets!" - **Victor Padurari**, RTPR Partner.
