

Țuca Zbârcea & Asociații receives Top Tier ratings and secures record number of recommended lawyers in IFLR1000's 32nd edition

The British media trust Euromoney has recently released the final group of rankings that represent IFLR1000 - 2022 edition, a guide to the most active and the most successful law firms in the financial and corporate world. As regards Romania, 38 law firms and more than 160 lawyers have been listed by the directory.

Țuca Zbârcea & Asociații has been named as a Top Tier firm in three specialist practice areas – *M&A; Banking and Finance; Project Development* - covered by IFLR1000, the guide to world's leading financial law firms. The firm was singled out for its outstanding track record of advising on significant matters over the past 12 months and its high standard of advice and service. In addition, Țuca Zbârcea & Asociații received high rankings as regards its *Capital Markets* (equity and debt) expertise, thus being one of the highest ranked law firms in Romania jurisdiction.

In total, Țuca Zbârcea & Asociații has a record-breaking 17 lawyers recommended in the 32nd edition of IFLR1000 for their expertise, skill, client service, aptitude and efficiency, this being the highest number of lawyer recommendations in Romania.

IFLR1000 is the guide to the world's leading financial and corporate law firms and lawyers. Their first rankings were published in 1990 and they currently research over 120 jurisdictions worldwide.
