

Stratulat Albulescu advises GapMinder Venture Partners on its investment in SaaS company Yarooms

The round was led by GapMinder VC fund and also includes SeedBlink, one of the fastest growing investing platforms specialized in sourcing, vetting, financing, and scaling European tech start-ups.

With this funding of EUR 2 Milion, Yarooms is seeming to pursue extended market opportunities and it will be able to accelerate growth.

Founded in 2010, [Yarooms](#) is a Romanian tech company that creates powerful yet easy-to-use workplace management software such as solutions for desk booking, meeting room booking, hybrid work planning, digital signage and visitor management. Yarooms serves companies across 50+ countries, some of the most important markets being USA, Canada, Italy, UK. Among its clients, we can name Columbia University, Dedalus, National Health Service, AAA, Dr. Martens, Cerved and Robalino.

[GapMinder](#) is a Venture Capital Fund which aims at providing capital in Seed and Series A rounds for Romanian born start-up companies in the Technology Sector.

SAA dedicated team was led by Partner [Cristina Man](#) and included Associates [Roxana Ioncu](#) and [Alina Pirvoi](#).
