

(P) SEE Property Forum (21 March 2019)

On 21 March 2019 the fifth edition of SEE Property Forum in Bucharest, organized by Property Forum in partnership with the Royal Institution of Chartered Surveyors (RICS) will gather leading real estate professionals and top executives from South Eastern Europe to analyse the potential of the Romanian real estate market from a global perspective. Over 40 speakers and more than 300 visitors will come together in the Romanian capital, creating a unique networking opportunity.

This year's SEE Property Forum will provide insight to all segments of the market with an emphasis on new technologies. As innovation is reshaping the future of the real estate industry it is more important than ever for market players to be aware of all the game-changing trends in their chosen field. To help prepare for these future changes Property Forum is bringing leading European visionaries to Bucharest to share their ideas on innovation.

On 21 March real estate and banking professionals, developers based in Southeastern Europe, investors interested in the region, bankers, advisors, law firms, agencies, proptech start-ups, property and facility managers will come to Bucharest to discuss the latest trends and future strategies in real estate.

This year, for the second time, the forum will be accompanied by a pre-conference networking reception on the eve of 20 March 2019. Guest will be able to enjoy a gourmet buffet dinner, premium wine selection, a champagne surprise and lots of networking opportunities.

Property Forum is a leading media and event platform in the CEE real estate industry with nearly 10 years of experience. We have a deep understanding and knowledge of the drivers that affect the European property industry. We believe in marginal gains: attention to every detail leads to perfection. We bring you the thoughts and ideas of leading real estate experts from all over Europe, both online (through interviews and articles on our media platform) and offline (at our events).

We organise conferences, business breakfasts and workshops focused on real estate, in London, Vienna, Budapest, Bucharest, Bratislava, Prague, Warsaw and Belgrade, amongst other locations. We strongly believe the principles that have made our conferences successful: the format, the quality of content, the commitment to seeking out the most interesting and most inspiring speakers in the industry and letting them share their knowledge and passion. The Royal Institution of Chartered Surveyors (RICS) is the official event partner for Property Forum events. RICS is the world's leading qualification when it comes to professional standards in land, property and construction.
