

Kinstellar advises Brise Group on its agreement with CEE Equity Partners regarding the modernisation and development of 15 grain silos and logistics hubs in Romania

Kinstellar has successfully advised Brise Group, a significant regional player in the grain and agricultural input sector, on its agreement with CEE Equity Partners regarding the modernisation, integration and development of 15 grain silos and logistics hubs in Romania.

Following the agreement, Brise Group becomes a valued grain origination client of Bristol Logistics, the first agriculture infrastructure platform in Romania offering open access to farmers and traders operating within the catchment areas served by its growing network.

Under the agreement, CEE Equity Partners Ltd. — the investment advisor to the China Central and Eastern Europe Investment Co-operation Fund II (“Fund II”) — will invest around EUR 60 million in the development of the silos and the construction of open access grain hubs and terminals.

Kinstellar acted as legal advisor to Brise Group, while **Dentons** acted on behalf of CEE Equity Partners.

The Bucharest team was led by **Zsuzsa Csiki**, Counsel, and **Andrei Caloian**, Senior Associate, under the supervision of **Razvan Popa**, Managing Partner.
