

LegiTeam: VASS Lawyers is looking for a Junior Attorney

VASS Lawyers, an award-winning boutique law firm based in Bucharest, is hiring a junior associate.

We are highly specialised in public procurement & PPP, but we also handle exquisitely dispute resolution and various issues and challenges that arise in the life of a business. Our team manages multibillion projects and day-to-day business matters in industries which make a difference for Romania's development, such as infrastructure, healthcare and education. With a client oriented and innovative approach, we fully embrace the latest legal technologies and welcome the digital future.

Our team is now looking for young talented lawyers who wish to build their careers within our law firm with the same passion, creativity and perseverance that drives our lawyers to handle the toughest issues and challenges one may face, always delivering great results. Strong verbal and writing skills are hence required, while healthy personal values, work ethics and tech savviness are strongly appreciated. Candidates should be members of the Bar.

Please send your resume in PDF format, telling us why are you the right person to join our team at welcome@vasslawyers.eu. The e-mail subject line should specify the envisaged position.
