

Stratulat Albulescu advises World Class Romania on the lease of a space of 1,500 sq.m. for “World Class Expo Park”, its 39th health & fitness club in Romania

Stratulat Albulescu Attorneys at Law has advised World Class Romania, the leader in the Health & Fitness industry in Romania in connection to the opening of a new health and fitness club in Expo Business Park, an office development located in the booming area located in the North of Bucharest generally referred to as Expozitiei.

The new club operates as Bronze tier location, under the name “World Class Expo Park”, and is World Class’s 39th club in Romania and its 30th in Bucharest. World Class Expo Park offers its members premium training and leisure facilities equipped with state of the art equipment and aerobic and cycling studios for group fitness classes.

Stratulat Albulescu’s advice included assistance in relation to the negotiation of the lease, permitting, negotiation of contracts with construction contractors and employment of staff.

With a relationship that is soon to mark its 12th anniversary, World Class is one of the Firm’s longest standing and most loyal clients, **Stratulat Albulescu Attorneys at Law** advising across the board on all legal aspects of the company and the group it is part of.
