

Țuca Zbârcea & Asociații launches the 2020 edition of “Better Business in Romania”

Țuca Zbârcea & Asociații has launched the 2020 edition of the “Better Business in Romania”, a user-friendly legislative guide covering 17 areas of law.

“Better Business in Romania” compiles important pieces of information regarding the legislative climate applicable to investments in various areas of interest, starting from Corporate Law (aspects concerning the setting-up, management, acquisition, merger, and dissolution of a company), Real Estate, Creditor and Debtor Disputes, Employment, Public Contracts, Competition, Energy, Capital Market, Financial Institutions, Intellectual Property, Pharmaceuticals, Environmental Law, Product Liability and Consumer Contracts, Insolvency, as well as Criminal Law and Taxation.

Also, following the overwhelmingly positive response from readers, this new edition is updated with recent legislation regarding Personal Data Protection.

“*Better Business in Romania*” is designed to offer foreign investors looking for investment opportunities a preliminary account of the legal framework in Romania. The information and opinions herein should not be treated as a comprehensive study and should not be construed or used as substitute for specific legal advice.

The guide is available for free download on Țuca Zbârcea & Asociații’s website -
