The Client Choice Awards recognize lawyers around the world, who stand apart for the excellent client care they provide and the quality of their service. The criteria for this recognition focus on an ability to add real value to clients' business above and beyond the other players in the market.

Uniquely, these awards are based on nominations by corporate counsel. Clients are asked to rate individual lawyers and law firms on the following criteria: quality of legal advice, commercial awareness, industry knowledge, strategic thinking, billing transparency, tailored fee structures, value for money, responsiveness, effective communication, clarity of documentation, sharing of expertise, appropriate staffing, project management, use of technology, loyalty and ethics.
