

LegiTeam | Stratulat Albulescu Attorneys at Law: We are looking for talented senior lawyers to join our Corporate/ M&A, Technology, Dispute Resolution & Pharma teams

We are a leading Romanian law firm with more than 35 lawyers in Bucharest and with outstanding international connections.

We are currently seeking qualified senior lawyers to join our Bucharest team. The successful candidates must have significant experience and specialization in the above-mentioned fields, together with a strong business orientation and a resourceful and creative approach to finding solutions and problem solving. A minimum of 8 years post qualification experience in a large law firm is essential.

There will be excellent opportunities for rapid career development for the successful candidates, together with the ability to work on large transactions involving major international and local organisations and be part of a team with some of the most brilliant and experienced leading lawyers in the industry.

There is also a varied training programme and, from the very start, the successful candidates will work on challenging deals and transactions, have direct contact with clients and become part of a dynamic and committed team!

If you are interested in learning more about these amazing opportunities, we would love to hear from you! For further information, please contact Delia Bijnea on +40 746 99 98 97 or email her on DBijnea@saa.ro.
