

## CEE Attorneys Consolidates its Strong Position in the Region with the Addition of Marohnić, Tomek & Gjoić, one of the Leaders on the Croatian Legal Market

**CEE Attorneys announced that a new jurisdiction in the region, Croatia, will be part of the network, with Marohnić, Tomek & Gjoić joining the network.**

Founded in 2016 by partners Josip Marohnić, Tena Tomek and Tonka Gjoić Tomić, the Croatian office focuses on providing legal advice in M&A, corporate, banking and finance, energy and infrastructure practices. In addition to advising the Croatian Ministry of Environment and Energy, as well as the European Commission, the firm has been involved in numerous public sector transactions related to structural funds and investments.

"The added value we offer our clients consists in our ability to identify the most appropriate legal solutions, adapted to this uncertain context and to the specifics of each market, while having a thorough understanding of the European regulations and practices in several industries, including the highly regulated ones. Moreover, our exposure in cross-border projects, along with the focus on industries such as energy, real estate, investment funds and technology are among the strongest assets acknowledged by our clients in Central Eastern Europe", declares **Tena Tomek**, *Partner of the Croatian office of CEE Attorneys*.

"Given Croatia's investment potential and geostrategic position, we believe that CEE Attorneys will have a reliable partner in the region. Our group's cohesion, the lawyers' know-how and the genuine partnership with our clients encourage us to continue our expansion plans in the region, the countries of the former Yugoslavia being on the radar of CEE Attorneys in the near future", adds [Sergiu Gîdei](#), *one of the coordinators of the local office of CEE Attorneys*.

**CEE Attorneys** is an international law firm with over 100 lawyers in nine Central European jurisdictions and associated offices in three Asian jurisdictions (Japan, China, India).
