

Bondoc & Asociatii advised Eviva Energy in relation to a restructuring of an outstanding debt

■ BONDUC & ASOCIATII

Bondoc & Asociatii advised Eviva Energy (part of the Martifer group) in relation to a restructuring of an outstanding debt owed to it by a leading Romanian renewable group, originating from a past transaction between the parties.

The restructuring was fine-tuned to adequately reflect both parties long-term interests and prevailing market conditions, including a novation of the initial terms of the principal debt and creation of a new collateral package.

The team from [Bondoc & Asociatii](#) included partner **Cosmin Stavaru** (*team coordinator*), partner **Diana Ispas** and associate **Silviu Vasiliu**.

Bondoc si Asociatii SCA is a top Romanian business law firm, with extensive experience in domestic and international complex legal matters.

"Bondoc si Asociatii SCA has 'very good knowledge and capability' advising debtors and creditors, often in heavily regulated industries such as the pharmaceutical and energy sectors. The firm's comprehensive expertise covers refinancings, divestments of assets, and related disputes, and clients are able to benefit from the firm's wider international network when it comes to cross-border restructurings."
