

## Iohannis: Vaccination strategy, approved in Supreme Council for National Defence meeting

**President Klaus Iohannis has announced on Thursday that the vaccination strategy against the novel coronavirus has been approved in the meeting of the Supreme Council for National Defence (CSAT).**

"In the CSAT extraordinary meeting, we approved the vaccination strategy against the novel coronavirus," the head of state said, after he visited the anti-COVID-19 vaccination centre at Romexpo.

He showed that it is very likely that in the beginning of next year Romania benefit from the first batch of the vaccine, namely approximately 1 million doses.
