

NNDKP assists Clinica Victoria in establishing a partnership with EquiLiant Capital

NNDKP assisted Clinica Victoria in the transaction for establishing a partnership with EquiLiant Capital, the investment fund financed by Paval Holding, oriented towards investments in small and medium-sized companies.

EquiLiant invested in Clinica Victoria, acquiring a minority stake in the company following an increase of the share capital.

Clinica Victoria, established by Daniel and Cristian Dragomir, offers dental care and imaging services, using the newest technologies in the procedures it performs. The Clinic operates in several cities in Romania, i.e., Pitești, Râmnicu Vâlcea and Slatina. The capital investment made by the investment fund EquiLiant Capital is intended to ensure the extension of the network of clinics and of the operational model conceived by the founders at national level.

NNKPD provided legal assistance during all phases of the transaction, including during the preparation, negotiation and signing of the transaction documents.

The NNDKP team was coordinated by [Corina Dumitru](#), *Partner in the Corporate/M&A practice*.
