

MRDPA: Over 136 million lei for socio-educational infrastructure, improving the quality of life, entrepreneurs

The Minister of Development, Public Works and Administration, Cseke Attila, signed 17 financing contracts, totaling 136,760,980.66 lei, through the Regional Operational Program (ROP) 2014-2020, coordinated by Ministry for Development, Public Works and Administration (MDLPA).

Eleven projects aim at urban revitalization, improving the public transport system, energy efficiency and rehabilitation, reads a MDLPA release sent to AGERPRES on Monday.

Six other projects aim to increase the competitiveness of some companies, by developing the activity and purchasing high-performance equipment.
