

## PM Citu touts 32.4 pct growth in six-month public investments

**Prime Minister Florin Citu took Tuesday to Facebook to state that H1 public investments are 32.4 percent higher compared to the same period in 2020, standing at 21.35 billion lei.**

"Public investments have gone up: 21.35 billion lei in the first 6 months of 2021, by 32.4% more compared to the same period of 2020. Romanians must know: we are investing in Romania! Another first: in Q1 2021 economic growth is entirely investment-driven, not based on consumption. Romania is developing healthily, on liberal principles!" Citu wrote.
