

Gov't: Romania gets first tranche under PNRR, worth almost 1.9 billion euros

Romania receives, on Thursday, the first tranche of PNRR (National Recovery and Resilience Plan), amounting to 1.851 billion euros out of the total pre-financing of 3.793 billion euros from the value of the financial contribution for 2021, the Government informs.

According to a press release from the Executive, by the end of the year, Romania will also receive the pre-financing loan, amounting to 1.942 billion euros.

In addition, next year Romania will receive funding of approximately 6.171 billion euros. For the year 2021 and the first quarter of 2022, 45 targets or milestones are planned, of which 5 are already fulfilled, and the rest are in progress, the same source also states.
