

Țuca Zbârcea & Asociații contributes to The Ukraine (UA) Citizen Immigration Information project, an initiative of Ukrainian law firm - Arzinger Law Office and the international network of law firms - Multilaw

The aim is to assist Ukraine citizens during these turbulent times and so the online resource provides immigration information relating to nearly 30 jurisdictions, including entry requirements such as visa regulations and rules on residence permits, as well as guidance on wider issues such as employment, healthcare, education, banking and finance.

Raluca Chelaru (*Managing Associate*), **Florina Chirila** (*Associate*) and **Dan Borbely** (*Partner*) contributed the relevant content for Romania.

The Q&A is made available by Multilaw, the international network of law firms, upon the initiative of Arzinger Law Office. Answers are being provided both in English and Ukrainian.

The Ukraine (UA) Citizen Immigration Information guide is available on Multilaw's website here:
