

Bancila, Diaconu and Asociatii SPRL, together with EY Romania, assisted Revolut Bank in connection with the launch of the unsecured personal loan for Romanian consumers

In an important project for the Romanian banking market, Bancila, Diaconu si Asociatii SPRL and EY Romania assisted Revolut Bank in the process of launching its first lending product. Revolut, the super financial application that offers banking services to over 2 million customers in Romania, can grant, from August 2022, unsecured personal loans, for a maximum amount of 125,000 lei, in just a few minutes.

The financial application has been updated accordingly to the relevant legal regulations to allow in an extremely easy and fast way to go through all the stages of the credit process (e.g. submitting the application, signing the credit agreement with the help of a qualified electronic signature, changing the date of repayment, making early repayments).

**Bancila, Diaconu and Asociatii** team was coordinated by [Radu Diaconu](#) (*Coordinating Partner*) and [Gabriela Neagu](#) (*Managing Associate*). Also, the consulting practice of EY Romania was involved in this project through *Carmen Adamescu* (*Partner*) and *Bogdan Picerea* (*Manager*).

"Entering the credit market is a natural step for Revolut in order to strengthen its position as a banking institution on the Romanian market. "Since August 2022, the consumer credit, a responsible product offered by Revolut Bank, has become available for Romanian customers, who thus joined those from Lithuania, Poland and Ireland. Our objective remains to provide our customers with simple banking services, easy to use and understand, with transparent and competitive costs. We thank our partners who contributed to making this product available to our customers, and we are grateful to Revolut customers for their trust, materialized by the high interest shown in this product, since the first days after its launch on the local market", said **Gabriela Simion**, *General Manager of the Revolut Romania subsidiary and Head of Lending*.
