

Stratulat Albulescu advises Bucharest Stock Exchange (BVB) and its group of companies on the lease of 2,235 sq.m. office premises in America House

With current headquarters in the downtown area, Bucharest Stock Exchange will relocate in America House - one of the most preminent buildings in Victoriei Square and a landmark of the heart of the central business district.

Hosting iconic office and retail spaces in the heart of Bucharest, [America House](#) is well served by public transportation, Victoriei Square being known as the major public transport hub (metro, bus lines, tram) of Bucharest.

[Bursa de Valori Bucuresti](#) is the stock exchange of Romania offering financing alternative to both mature companies, which can raise capital through the Main Market, as well as to start-ups and SMEs for which the AeRO market was created. Both markets are able to accommodate shares and bonds issuances. Over the past five years, equity and bond listings on Bucharest Stock Exchange have reached a total value of EUR 6.5 billion.

The Stratulat Albulescu team was coordinated by *Partner* [Tudor Ciambur](#) and included *Associate* **Irina Caragea**.
