

RTPR advises MidEuropa and Regina Maria management on the sale of Regina Maria Group to Mehiläinen

RTPR has assisted the private equity fund MidEuropa on the sale of Regina Maria Group to Mehiläinen in the largest ever healthcare services transaction in Central Europe. The sale further includes Regina Maria's sister company, MediGroup, the leading service provider in the private healthcare market in Serbia. The transaction is subject to customary regulatory approvals and is expected to close in 2025.

Mehiläinen is Finland's largest healthcare and social care provider, with a fast-growing international presence.
