

Popovici Nițu Stoica & Asociații is assisting PPC in the consolidation of its renewables businesses

Popovici Nițu Stoica & Asociații (PNSA) advises PPC, one of Romania's largest private investors in the energy sector, with energy supply and distribution operations, on the consolidation of its renewable energy business.

The merger will bring all renewables operations in Romania under the umbrella of PPC Renewables Romania. All companies are controlled by PPC Public Power Corporation Romania, a PPC group company.

The PNSA core team was composed of **Florian Nițu** (Managing Partner), **Silviu Stoica** (Partner) and Managing Associates **Ana-Maria Popa** and **Ela Marin**. Senior Associate **Mihaela Jarca**, as well as Associates **Cristina Anderco**, **Ruxandra Pasarica**, and **Zahra Ammar** also contributed to the team.

”Thankful also to PPC legal team led by Alina Dumitrașcu, PhD (Director of Legal and Corporate Affairs) for the continuing trust, as well as to our colleagues from Suci Partners”, said the law firm in a statement.
