

## Bondoc & Asociații advises ENGIE Romania on the acquisition of one of the largest wind projects in Romania

**Bondoc & Asociații provided legal assistance to ENGIE Romania in connection with the signing of the agreement for the acquisition of a wind farm with an installed capacity of 253.1 MW from Greenvolt Power, part of the Greenvolt Group. The project is located in Ialomița County and is financed through a Contract for Difference (CfD). Upon becoming operational in 2027, the project is expected to be one of the largest wind farms in Romania.**

The Bondoc & Asociații team provided comprehensive legal assistance throughout the transaction, including transaction structuring, legal due diligence, as well as the review and negotiation of the related contractual documentation. The transaction involved a highly complex structure and documentation.

The project was coordinated by partner **Monica Iancu**, with the support of partners **Lucian Bondoc**, **Cosmin Stavaru**, **Raluca Nadejde**, **Simona Petrișor** and **Daniela Gladunea**, together with an extended team of lawyers including *Ionel Macovei*, *Matei Vilcov*, *Monica Gheorghe*, *Gabriela Pop*, *Vasile Soltan*, *Rareș Iacob*, *Florin Sandu*, *Oana Danila*, *Raluca Catargiu*, *Cristina Palade* and *Andrei Pruna*.

“This transaction represents an important step in strengthening ENGIE Romania’s renewable energy portfolio. The transaction involved a complex contractual structure and multiple regulatory considerations, including in the context of the Contracts for Difference mechanism. The assistance was possible by the coordinated efforts of a dedicated, multidisciplinary team at Bondoc & Asociații, working closely with the client throughout the process. We are pleased to have supported ENGIE on this landmark transaction for Romania’s renewable energy sector” said **Monica Iancu**, *Partner, Bondoc & Asociații*.

Bondoc & Asociații is widely recognized for its expertise in mergers and acquisitions, particularly in highly regulated sectors in Romania.
