

SAA welcomes Stefania Maciuceanu (Managing Associate) and Tudor Ciambur (Senior Associate) in the Dispute Resolution and Real Estate teams

This month, SAA is proud to announce and welcome Stefania Maciuneanu as one of the firm's Dispute Resolution Managing Associates and Tudor Ciambur as a Senior Associate in the Real Estate Department.

Stefania Maciuceanu joins SAA with over 12 years of experience in the litigation field. Before joining the SAA team, Stefania Maciuceanu was part of the dispute resolution team of one of the biggest law firms in Romania.

Ştefania was involved mostly in real estate disputes, including claims for the recovery of nationalized and expropriated property, restoration of property right, nullity of deeds, actions for recovery of possession, including the drafting of complains in front of the European Court of Human Rights. Ştefania also coordinated complex insolvency, debt recovery and banking and financial law projects.

She is both a Bachelor of Law of the Faculty of Law, University of Bucharest, and a Bachelor of Law of University Paris I Panteon Sorbonne – Community Law and French Law. Ştefania also holds a Master's Degree in International Business Law from the Franco-Romanian Law College.

With a professional background of 7 years at one of the top law firms in Romania, **Tudor Ciambur** has joined Stratulat Albuлесcu Attorneys at Law as a Senior Associate in the Real Estate Department. He assists clients in connection with a wide range of real estate matters, including real estate acquisition and development, transaction structuring, lease agreements, due diligence, business takeover, joint ventures and exit strategies.

He has substantial experience in drafting, structuring and negotiating legal agreements, as well as in providing legal advice. His expertise also includes urbanism and permitting matters for complex mixed-use projects, as well as in-depth knowledge of office, residential, retail and logistic businesses. Also, Tudor assisted clients in connection with the development of large photovoltaic and wind parks.

Tudor has excellent abilities to assess facts and issues, identify and mitigate risks, see practical opportunities and come up with tailored and creative legal solutions that add business value to clients. With rigorous work ethics and highly developed communication and collaborative skills, he meets organisational objectives and delivers expected results in all legal matters within his area.

The recruitment of Stefania and Tudor is part of the Firm's continued growth in the practice areas of the Firm in accordance with its strategy.
